

Did you know that you can have your contributions to CE National automatically deducted from your checking account through Electronic Funds Transfer (EFT)? EFT saves you time and money and gives you peace of mind that your important gift will never be lost in the mail. And, because EFT saves CE National time, paper, and postage (about \$1.00 per check received), this means that more of your gift can be used to further kingdom purposes.

If you are interested in using this service, please complete and sign the form and return it to CE National. There is no charge for the EFT program, and you may cancel your automatic deductions at any time.

Your first EFT contribution will occur 2-4 weeks after we receive your completed form. You will receive no notification from your bank other than a deduction on your bank statement. CE National, however, will continue to send or e-mail you a receipt for each contribution. If you have any questions, please contact us.

Thank you for supporting the CE National family of ministries.
